## Day Care fee too low says PSS board member

A member of the St. Albert Preventive Social Services Board says she is opposed to the Day Care as proposed by the PSS Board and Day Care Society and presented to Council July 24th. "Or, more precisely, I am opposed to that part of the operation dealing with the maximum fee", Hennie Stibbe, Education and Finance Chairman of the PSS Board told The Gazette after she appeared before Committee of Council on July 24,

where she presented a minority report.

"I am very much in favor of day care", Mrs. Stibbe said. "I think it is important that working parents have a place where they may be assured their children will receive excellent care and I am certain that the St. Albert Day Care Society will provide a high standard of service". Mrs. Stibbe added that she feels it is important that the day care facility is available to both those

parents who work out of necessity and those who work out of choice and she says it is the latter group she is concerned with, the families who enjoy an income of \$15-\$20,000 plus.

Under the approved program the Society will offer these families day care at a maximum fee of \$5 per child per day, which, the Day Care Society believes, is their cost. "We cannot be absolutely certain of this, however, and I am of the opinion that, certainly in the first year of operation the cost may well be higher than \$5 per child per day. This depends on enrolment and other factors", Mrs. Stibbe said. "Since cost is an unknown factor at this time, I prefer to look at day care and ask: What is this service worth to a mother who prefers pursuing a career to staying home and looking after her family?"

Mrs. Stibbe is quick to add that she is not opposed

## MLA-Council Parley Clears Mutual Policies

At the Monday, July 31 committee meeting of the whole, Ernie Jamison, M.L.A. St. Albert sat with council to discuss matters of mutual concern. Prime topic under discussion were the designation of land use of those 900 plus acres referred to as the "Athabasca University Site". . . and, municipal financing and related issues.

Deputy - mayor for the months of July and August, Councillor Frank Luckay chaired the meeting. Without fanfare, Mr. Luckay declared the meeting open and thanked the M.L.A. for accepting council's invitation to attend.

First to break the brief silence was Councillor Bakker who voiced his firm opinion that the designated University of Athabasca lands, all 900-plus acres of it should not be zoned parkland, "but should be reserved for educational purposes," "It's my conviction," Councillor Bakker said, "that this land should be left alone, designated for its intended purpose . . . for future educational establishments and not re-designated as parkland." With tongue-in-cheek and a mischievous glint in his eye, Councillor Bakker added: "It shouldn't be hard to get the government to do nothing and thus leave this land alone."

### RETURNS BARB

Mr. Jamison took the barb with grace and voiced an appropriate shaft in return

### CALLING ALL KIDS'

There will be a Penny Carnival at Lions Park on Friday August 11th with lots of fun, games and prizes, under the watchful eye of supervisor Shirley Goldstick. The action gets underway at one o'clock and all the small fry need is a few pennies in their pocket.

by saying that Alberta's present educational facilities would have to be up-graded before a fourth university complex would be considered by government.

"In the meantime," Mr. Jamison said, "very little lobbying has manifested itself in legislative halls about the proposed University of

## Day Care Center to open Sept. 1st

St. Albert will have a public Day Care Centre as of September 1st of this year! Town Council last night approved funding of the centre, thus giving the green light to plans for opening this fall.

The centre will be situated in the newly constructed addition to the Elgin Pentecostal Church on Ball Avenue, an extremely convenient location for all St. Albert residents.

Interviews are presently being held for the position of director and applications for support staff are being considered. Volunteer staff to help in the centre are also needed.

Other events planned for the near future include registration night on Monday, August 14th and a toy and equipment drive. For further information regarding any of the above contact Kathleen Stairt 599-6756.

Alberta Pioneer Railway Association volunteers worked up a real sweat Saturday morning while lifting the platform away from the old St. Albert CN station. The volunteer crew was preparing the 'old depot' for a major moving operation scheduled for later this month. . . if all goes well. Left to right: Paul McGee, 38 Gresham Blvd., public relations officer of the association, Norman Corness, president Harrie Pollard, Jack Bexson, and Jim Myers, Army Militia Edmonton Service Battalion.

## Pioneer Railroaders plan To move St. Albert Depot

Several members of the Alberta Pioneer Railway Association, armed with crowbars tore off the planking making up the old CNR station platform here in St. Albert. The volunteers were in the process of making preparations for the removal of the historic railway station to the associations' new site located east of here.

Last January, the APRA were the successful bidders in the purchase of the old St. Albert railway station and must now remove the building from its present site as per agreement.

"In fact," said APRA President, Norman Corness "we were supposed to move our railway station to its new site before now. . . but we were granted an extension," he said.

When asked when the move will be completed, Mr. Corness said that all arrangements have been made with Fishburn Trucking of Edmonton, Calgary Power Co., Ltd., railway officials and the M. D. of Sturgeon, Mr.

Corness explained that the old railway building will be brought to its new resting place on board a low-boy via a northern route through the Municipal District of Sturgeon, across one railway crossing and onto the new APRA site.

Until now, the APRA has

been operating out of the Cromdale Shops located on 80th street and 116th avenue in Edmonton, site of a proposed Edmonton City sport complex. Therefore, the Pioneer Railway Association had to relocate and so, obtained about eight and one-

Continued On Page 2

## PSS Board Split On Day Care Rate

A delegation of members of the St. Albert Day-Care Association, represented by Mr. Bailey as spokesman informed council of its intention to alter day-care rates from \$7 per day per child to \$5. In his presentation, Mr. Bailey explained that the Day Care Association had recently met with the Preventive Social Services Board and came to the conclusion that a rate revision was imperative.

When asked on what basis the Day Care Association came to this conclusion, Mr. Bailey said that the lower maximum rate of \$5 per child per day would be more in line with the average wage earners of the area who would avail themselves of a day-care service." In other words, "he said, "we would be serving

more people who need this service."

After a few questions were satisfactorily answered, as far as council was concerned, the day-care rate was duly acknowledged and received as information.

Deputy-mayor Frank Luckay, knowing that Mrs. Hennie Stibbe is chairman of education and finance of the Preventive Social Services Board, . . . and seeing Mrs. Stibbe scheduled for an appointment following Mr. Bailey's appointment, announced to Mrs. Stibbe that she would now be heard.

In her presentation . . . against the Day-Care rate change. . . Mrs. Stibbe was most emphatically opposed to reducing the maximum rate from \$7 to \$5 per child per day. In her written presentation, Mrs. Stibbe informed

## Stump blasts fail to blur champagne

Rumours have been circulating around town that a quantity of expensive wine was spilled in the Alberta Liquor Control Board store here at Grandin Shoppers' Park last Saturday.

Blame for the damage is being attributed to the detonations which took place Saturday while the Militia blasted a few stumps along with the Sturgeon River in its final phase of the clean-up project. The Gazette checked out every angle of

the rumour . . . Militia, ALCB and even business men and women along the north arm of the shopping complex . . . all in vain.

Everyone agrees that slight tremors were felt while the explosives were detonated, but no damage was caused.

C. O. (Chuck) Joly, 19 Greenview Crescent, Assistant manager told The Gazette, "the tremors weren't strong enough to even cloud our more delicate champagne."

Getting things ready for last Saturday's blasting exercise in the Sturgeon River cleanup is this crew of SSEP employees drilling holes into the unwanted stumps. Left to right are: Roger Malo, 18 St. Michael St., Sgt. R. G. Crooks, NCO in charge of the drilling unit, Bruce Sinclair, 90 Salisbury Ave., Jack Woreicki, 28 Mural Cres., Leo Newby, Edmonton, Ed. Hieszczyk, 25 St. Vital Ave., and Terry Gauvreau, Edmonton, showing the peace sign.

## Day Care

Continued From Page 1

to working mothers. "Let's face it, not all of us are cut out to spend the day baking peanutbutter cookies. I certainly don't believe women should be kept in the kitchen, barefoot and pregnant".

She adds that her point is that those who use the day care because they want to work, and not because they have to work, should pay a reasonable price. "And \$5 per day for 8-9 hours of child care by a well-qualified staff, including a noon meal, is not reasonable. What do you get for less than 60 cents per hour these days?"

Mrs. Stibbe said a fee of one dollar per hour would seem like a reasonable price to her, but added that when the PSS Board originally set a maximum fee of \$7 per child, she was happy to go along with that. "Unfortunately, the Board saw fit to change their minds about this".

The arguments put forth by day care people that even the \$5 per day is more than the majority of clients in Edmonton pay, does not apply to St. Albert, she feels. "After all, the average income in St. Albert is higher than that in Edmonton. We do not have the Bovie Street

type district here. While I am enough of a capitalist that I see nothing wrong with a husband and wife earning a combined income of \$15,000 and up, I do feel, very strongly, that the responsibility of the cost of the care for their children is THEIRS, and not the tax payers. Under the present scheme we could well end up with the have-nots providing for the haves through tax-supported day care".

Mrs. Stibbe said she asked Council to approve day care --with the amendment that a maximum fee of \$7 be charged. "Obviously, they did not agree with me". She would have liked to see a fee scale where those earning \$15,000 and up would pay \$7; \$10-\$15,000 income be charged \$6 and those under \$10,000 be charged according to the fee schedule suggested by the Day Care Society. "At least one application from a family earning \$20,000 has been received to date", she notes.

Mrs. Stibbe says she does not agree with the PSS Board when they say that to charge a fee of \$7 is to charge the \$5 cost PLUS a two dollar 'penalty' for being in a higher income bracket. "I say \$7 is a fair and reasonable price, and those who CAN, SHOULD pay this".

## Railroaders

Continued From Page 1

half acres north-east of the Namoo Airbase. The APRA will be located in the south-east corner of the Wm. Yochim quarter section of land. The eight-acre plus will provide ample room for a 2-mile railway track, spur lines, picnic area, parking area, the old St. Albert Railway Station, engine and workshops and a museum building where railway artifacts will be put on display.

"Of course," Mr. Corness said, "all those facilities mentioned will not become a reality immediately ... all this will happen after several years and a lot of financial assistance." But he did admit that the site was surveyed, quite a bit of work has already been done on the roadbed and plans now call for the station to be moved into place.

Being a non-profit organization, the APRA was able to obtain assistance from the Edmonton Militia District. Wherever needed, the Militia contributes one of its trucks driven by a volunteer who is also a member of the Pioneer Railway Association. Jim Meyers, a member of the Edmonton Service Battalion was on deck Saturday morning ready to haul the platform planking away while the St. Albert station was being prepared for the movers. Alberta Pioneer Railway Association public relations officer, Paul McGee of 38 Gresham Boulevard explained that the APRA volunteers will also raise the old railway station ready for the moving truck, thereby cutting some of the costs. He also added that the association recently acquired a discarded diesel locomotive which will be on display during the September 2, 3 and 4 weekend.

## PSS Board

Continued From Page 1

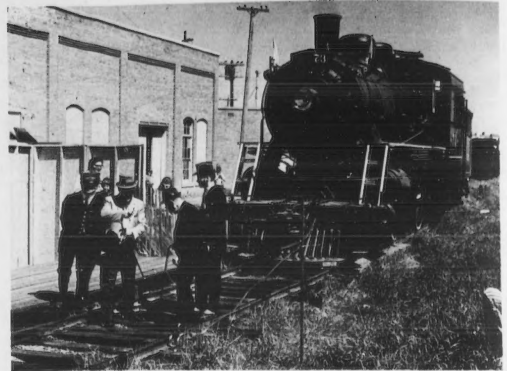

med council that the Day Care Association does not know what all its costs will be and, therefore cannot, with assurance, budget such a new operation at such a ridiculously low fee.

Mrs. Stibbe pointed out that couples making use of the Day-Care Services earn a combined wage which permits them to pay at least \$7 per day, "in fact," she said, "most people today are paying \$1 per hour for this service."

Much to the embarrassment of the other members of the PSS membership, Mrs. Stibbe asked how can any agency take proper care of a child for 8 to 9 hours, feed it a noon meal all for only something like 60 cents per hour? She explained that craftsmen are presently getting never less than \$10. per hour to repair television sets, refrigerators or furnaces in your home. "Don't you think safe and proper care of your child is worth more than 60 cents per hour?"

Mrs. Stibbe explained that as a member of the Preventive Social Services executive, and in regular attendance at meetings, she had registered her displeasure with the proposed revised rates, "but they went ahead anyway and changed the rates," she complained. She added that that was why she wanted to be heard by council and formally put on record, her strong opposition to the proposal. Before closing, she predicted that the Day-Care Service operation would likely run into a deficit situation which will have to be eventually paid by the taxpayer at large.

In an interview with Mrs. Stibbe, she told The Gazette, "As a taxpayer, I'm not prepared to pay for day-care services to a couple making a combined salary of \$15,000 per year or more."

At the Pioneer Railway Association season-opener May 20th Marcel Lambert, MP Edmonton West was present with several members of the association. That weekend brought a total of about 2,500 visitors for a ride on the vintage train. Left to right are: Wayne Shearer, conductor, Marcel Lambert, an unidentified retired railway employee and Jim Coutts, an APRA member. The next such weekend is set for September 2, 3 and 4.

The Liquor Legislation Committee appointed by the Attorney General for the Province of Alberta, invites interested parties and members of the general public to submit briefs and/or representations in writing with respect to suggested changes in existing liquor laws, regulations and procedures.

Twelve copies of written submissions containing a summary of the representations being made, should be forwarded to the Committee, to be received not later than August 21st, 1972.

Submissions relating to the licensing of Jubilee Auditoriums in Edmonton and Calgary and facilities for use by adult students on university campuses as well as advertising of liquor, wine and beer by manufacturers were invited and received for consideration by the committee earlier this year. Therefore, further briefs should not be submitted at this time.

The Committee may request that the parties making submissions present an oral statement in support of their written submission at the hearing. Please supply return address and telephone number with your submission.

Written submissions to the Committee must be delivered to the Chairman, Ron Gitter, M.L.A., or addressed to him in the care of the Premier's Office, Mezzanine Floor, J. J. Bowlen Building, 620-7th Avenue S.W., Calgary.

## GRANDIN SHELL SERVICE

1 Grandin Shoppers' Park.

Phone 599-7558

St. Albert.

## Around Town

Don Mills, St. Albert's Librarian has very encouraging plans for the library towards extending its services to all segments of our community. Mr. Mills told The Gazette he plans to finalize plans soon with principles of Grandin Shoppers' Park whereby he and his staff will be able to operate a temporary library booth 'somewhere along the mall' during the latter part of August. Purpose of the booth is to show the people of St. Albert what facilities are available in St. Albert's Centennial Library. Mr. Mills hopes to have enough promotional material prepared to hand out to all citizens at large while the booth is in operation. Handouts will probably include list of books, magazines, and a brief resume of projected plans the library has for the future. Although firm dates have not been set, Mr. Mills wants to bring the library out to the people... especially the students... before school classes resume.

Recent visitors to St. Albert were Mr. and Mrs. Frank Schuchard of Roseburg, Oregon. They were house guests of Mr. Schuchard's parents, Mr. and Mrs. R. A. Schuchard, 40 Balsam Drive.

In addition to taking an active part in Edmonton's Klondike Days and Legal's Fet au Village, the visitors were taken on side trips to the Provincial Museum, Alberta Game Farm, and North lands Park. They were also able to see their first Canadian football game, Eskimos-British Columbia. A party was given in their honor at the Schuchard home Friday evening.

Among the joys of home-coming, Ernie Jamison will find a parking ticket for \$8 when he got back Wednesday from attending the Big Horn Dam Closing. Ernie, along with the rest of the Gazette staff tries to warn anyone noticed parking by or beyond the post sign near Perron Street bridge of the fine, but on this occasion, Ernie left with Dick Wilson Monday, and his own car was illegally parked out front. The young Mountie was very pleasant about the whole matter, as he handed in the ticket.

Andy and Anne Kampen, with their two children, Roy 10 and Jill 12 of 21 Mission Avenue are still getting caught up with the time-zone changes after spending the past month in Holland. The Kampens left for their former home province of Groningen, Holland June 19 by air via the Polar Route. On their return journey, after visiting with many relatives and friends, they took the other route through Amsterdam, Toronto and touched down here at 8:30 p.m. August 3. The Kampen family thoroughly enjoyed their trip 'home' after an absence of over 20 years. They noticed many changes, some good and some not so good. While visiting a castle at Uithuizen, the Kampens had an opportunity to show their children an ancient gun, powder horn and bag of shot which belonged to Andy's grandfather. The elderly gentleman was the game warden for the owner of the castle at that time. Both Mr. and Mrs. Kampen said that it had been a great trip but all were very happy to be back home.

## SAY carwash raises \$27

On Saturday, August 5th, S.A.Y. (St. Albert Youth) held a car wash at Esso Service Station on St. Albert Trail to raise funds for their Teen Dance which is to be held at the Community Hall, Friday, Aug. 11.

The group of young people were pleased with the response they received for which they raised twenty-seven dollars. Another car wash is being planned for the future, and the teens will be happy to accept any other odd jobs around town. For information, phone Wendy Birks at 599-6875 between the times of 5:30 p.m. to 7:00 p.m.

S. A. Y. also wishes to thank Woodward's, Dairy Queen, MacLeod's, Nan's Esso, and Safeway who generously donated goods to go towards the dance. Proceeds from this dance will go to setting up a self-organized youth project providing various activities for the young people of the community.

Result: are what you expect -- consequences are what you get.

## Women bus drivers in demand here

'Women make mighty good school bus drivers, and I could use more of them' says Remi Lafranchise. They are reliable and efficient and the working hours usually suit them, since the job only involves two hours a day for a five-day week.

Mrs. Arlene Perrault has been nine years with Remi Transport, driving school buses in St. Albert for District 3. He has also employed Rita Borla, who handled the Volmer route in Sturgeon School Division over sometimes rough road conditions with no trouble, Pat Hauptman, on the river

route, (Pat now drives her own kindergarten bus) and Anna Marie Elkins, among others over his nearly twenty years in the business.

Mr. Lafranchise started with one bus in the early fifties and gradually expanded the operation, which until recently included bussing for Sturgeon School Division as well as the St. Albert board. He now operates eight buses to handle children in District 3.

Any local gals who would like a job can get in touch with Remi Transport - a class 2 license is required.

## World In Review

'Damn The Ecology'... is a book written by James Woodford and recently released by McClelland and Stewart \$5.95. One of Canada's foremost naturalists and conservationists, Mr. Woodford's carefully documented book charges the latter-day robber-barons as exploiters of Canada's Arctic wealth. He further predicts that this mindless destruction of oil, gas and mining resources in the north will lead to total environmental destruction. This new book is a 'must' for everyone's library.

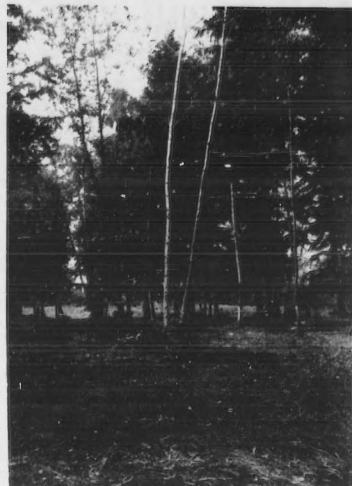

Wrecked and abandoned cars have long been a nuisance problem in our present civilized world. However, with the introduction of the shredder, wrecked and abandoned cars are now being recycled economically. One such shredder is in operation in Calgary where the entire vehicle is converted back into useable material. The only parts of the vehicle removed prior to shredding are the seats, tires and gas tank.

EDMONTON - Word has just been received from London that J. George Strachan, 9908 - 114 Street, Park Towers, consultant on alcoholism to the Attorney-General's Department, Pro-

vince of Alberta has been elected a Fellow of the Royal Society of Arts. The Society was founded in 1754, its Patron is Queen Elizabeth and Prince Philip is president of the society. Mr. Strachan is internationally known in the field of alcoholism, has published numerous articles on the subject and recently published two books.

A big city minister visiting a rural parish was asked to pray for rain. The rain came in floods and destroyed some of the crops whereupon one elder remarked to another.

'This is what comes of asking a man to pray for rain when he doesn't know anything about agriculture'.

Lions Park received a real cleanup of underbrush this year with financial assistance through Local Initiative Program grants. This picture simply shows Lions Park cleared of unwanted brush and deadfalls cleared by LIP workers and Lion volunteers.

## College will offer new program in Canadian studies

The Canadian Studies Department at Grant MacEwan Community College is starting a new two-year post-secondary Diploma program in September, 1972.

The program is designed for both the student seeking a career program and for the student seeking a general knowledge of our nation and its people.

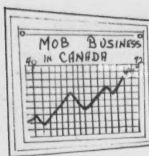

An interesting feature of the new program is the plan to have students learn by direct experience. Throughout the program there are requirements for students to be actively involved in the Canadian community. Often this will require some travel and residence away from Edmonton. The College is presently negotiating with the Federal Secretary of State Department and various private concerns for assistance in sending students to reside in various sections of Canada such as Quebec. Travel and residence requirements may take up to a complete trimester of three and one half months.

There are three areas of specialization, Ethnic-culture-language studies, economic-geographical development, and politics and history. Within each of these specializations are courses designed to make the student employable on graduation. Such courses include Museumology, Tourism, Ethnic Culture foundations, Government Task Forces, Public Administration within to culture and language programs in school systems and with certain associations.

Of particular concern is the projected studies of Western Canada and the Canadian North. As well, there will be courses in culture, anthropology, archaeology, French Canada, the Indian Culture and Language, the Canadian Novel, and Canadian Politics.

Languages are the key area of this program and students have the option of selecting a language from among French, Cree, Ukrainian, German, Swedish.

Admission requirements are an Alberta High School Diploma or age 18 and have been out of school for one year. Information is available from John Hart through the College Admissions Office, Box 1796, Edmonton, Alberta. T5J 2P2.

"WHICH ONE OF YOU BOYS CAN FILL THIS CALGARY VACANCY?"

## Around Town

The Local Authorities Board has announced this week it will resume the hearing regarding the landfill site Thursday August 17 at 9:30 a.m. in Town Council Chambers. Mr. McGregor, chairman of the board, accompanied by Mr. Morris, LAB solicitor and member of the board will hear submissions from R. A. Weeks, representing the Proctor Estate and Mr. David J. Tilley, representing several interested parties. Mr. Brownlee, town solicitor and Mr. O'Connell chief administrator for the Town of St. Albert will also be present. Mr. McGregor said, "It's simply the continuation of the public hearing started Tuesday July 25."

Dave and Marg Davis enjoyed a visit from Marg's nephew and his wife, Laird and Marie Wilson of Regina from Thursday through Monday. In showing the couple around the area, the Davises took in several points of interest which they hadn't seen previously themselves, as is often the case.

The St. Albert Conservative Association is planning an anniversary social evening at the Club Mocombo August 30th, for which tickets will be available later this week. Interested people can telephone Lena Post at 599-6988 or Marg Davis at 599-7828.

## Library Offers Second Best To Munich Holiday

If you are not going to Munich this month but instead are planning to take advantage of these few glorious summer days, you should drop by the library. Whether your thing is done on water, land, or in the air, you'll find plenty of books on sports and summer activities. Two recent additions to our sports section deal with scuba diving and hiking. Scuba, Spear and Snorkel will help you get started or improve if this is your bag.

The Canadian Rockies Trail Guide is a superb handbook for hiking enthusiasts and will definitely help you see Canada first this summer, or, if you are planning some law chair activities in August, here are

some outstanding fiction titles recently added to the shelves: The African, Zorba the Greek, Rabbit Redux, Meet Me in the Green Glen, and The Mouse on Wall Street.

Remember... The library

is open from 2 to 9 Monday through Friday and 9 to 10 every Saturday until school starts. So, to improve your backhand or your backstroke or just appease your backside come see what we have for you at the library.

# River Project Friday Pay Parade Ends Sturgeon

The Sturgeon River Clean up project is only a few days away from being completed. Last day of the six-week project, which employed an average of 40 students and resulted in clearing The Sturgeon of refuse, a distance of about two miles will be Friday August 11. On that day the books will be closed on what has been termed, "a very successful pilot project which will more than likely be revived next year."

This assessment of the Student Summer Employment Program (SSEP) is attributed to Col. D. Kuchinski, commander of Edmonton Militia District, Capt. Norman Lynch, local citizens, town officials and even the student employees themselves. Everybody is in agreement that the Sturgeon River Cleanup Project was a great idea and has been completed in a most enviable manner.

Last Thursday, while members of the 8 Field Engineer Regiment (Militia) received word to proceed with the blasting of stumps along The Sturgeon senior non-commissioned officers in charge of the 40-student work force drove in a mobile army compressor and drill to prepare the 20-odd stumps destined for demolition by the explosive squad of the Army. Permission to detonate plastic explosives within town limits had been obtained from town officials and RCMP. Once all channels of authority were cleared, plans were put into effect to proceed with blasting operations Saturday.

While Militia NCOs and student crewmen were busy drilling holes in the unwanted stumps and preparing sand bag shields around the

tree stumps marked for eradication, Col. D. Kuchinski, accompanied by Capt. Norman Lynch and Lt. B. K. McDonald made a sweeping tour of inspection through the cleanup area. As the party walked along The Sturgeon, assessing the work done, viewing the mounds of refuse dredged from The Sturgeon and interviewing the junior workers as they went along Col. Kuchinski expressed great satisfaction with what he saw and heard.

"What did you learn from this experience?" Col. Kuchinski asked Pat McHugh of 14 Sable Cres.

"Well," Pat said while clearing his throat, "I learned a lot about safety. You sure don't want to fool around too much without a safety hat," he said.

"What about you?" Col. Kuchinski directing his question at Bruce Sinclair of 90 Salisbury Avenue.

"The pay is good," Bruce said, "the job gave me something to do, and now I have a good idea about what happens when a guy throws junk in the river."

Terry Gauvreau of Edmonton, wasn't asked directly for her assessment of the whole deal but volunteered her impressions by saying that she plans to join the Militia and, "maybe make a career of the Army."

Capt. Lynch said that the entire project was right on schedule. "We had about two miles of river to clear he said, "and by next Friday August 11 we'll have completed our commitment including the stump-clearing job." Capt. Lynch also revealed that an unused portion of SSEP funds from across Canada was re-allocated to this project, "which allowed us to increase our work force to a full complement of 40 students."

While reviewing the entire 6-week SSEP pilot project here in relation to the Sturgeon, Capt. Lynch could-

n't help but project pride in his 40 student work force. He revealed that out of a total of 1100 working days (as of last Thursday) only 13 sick days were recorded. And during the entire project, only one day was lost due to inclement weather. Capt. Lynch was equally proud of the safety record of his group. "We had very few injuries and all of them were minor," he said. He explained that some of the junior workmen suffered from blisters, minor cuts and bruises but nothing serious.

Next Friday, being the last day of the six-week project great things are in store for the 40-student work force.

In order of priority, the final day will see the SSEP work force receive their final pay. This will be done in true Army style pay-parade. All workmen will line up in alphabetical order in from of the paymaster and receive crisp new currency. The first pay-parade netted each workman \$100.00; the second amount paid to each worker came to \$10.00 and this Friday each worker will get \$61.80, making a grand total of \$371.80 for the six week period. That evening, while final arrangements are still in the planning stage, a gala party will be held, marking the successful termination of a great project.

This is how Gerald Ward moved the light aircraft he's presently building. He conveyed the fuselage from Gainsborough Avenue, St. Albert to Flagstone Crescent by simply towing it with his car. The plane-to-be is now lodged in Gerry's garage, ready to undergo many more hours of work before it becomes airborne.

## Registration for Day Care

Registration night for enrollment in the St. Albert Day Care Centre will be held Monday August 14 at 7:30 in the clubhouse on Grenfell Ave. All parents who have made application to enroll their children in the centre, and all other parents interested in learning more about the services the centre will provide, are

strongly urged to attend, says Kathleen Stewart.

The evening will consist of two main parts. From 7:30 till 8:30 formal registration of children, and explanations of fee schedule, program and other details

pertinent to services will take place at 8:30 there will be coffee and an informal talk by Don Mills, St. Albert's new librarian. His topic will concern encouraging creativity in children. See you there!

### Cubs take double header and advance to finals

A two-out single by Billy Burton gave St. Albert Cubs a 6-5 victory over Slave Lake Oilers Sunday afternoon and catapulted Cubs into the Northern Alberta bantam baseball final for the second year in a row.

Burton's blow came in the eighth inning of the second game of a double-header which Cubs had to sweep to stay alive. They won the first game on Mission Park diamond 12-4 to square the best-of-three series, Slave Lake having taken the first game 9-4 last week.

Cubs had little trouble in the first game, jumping into an early 10-0 lead. But the second game was a different story, and set the stage for some dramatic Cub heroics.

Cubs got off to a running start in this one, opening up a 3-0 first-inning lead. Starter Allan Musto ran into control trouble in the third however, and when he discarded his curve in an attempt to get the ball over, Slave Lake cracked out three straight hits to take a 4-3 lead.

Slave Lake put one more run on the board the following inning before Musto was lifted in favor of Cletus Gagnon. Gagnon got Cubs out of the inning with a strike-

out and Cubs prepared for the climb back into contention.

It looked for a time as if it might not happen. Gagnon, pitching hitless ball, kept Slave Lake off the score-sheet but Cubs found themselves in the same predicament.

Goin' into the bottom of the seventh and final inning, Cubs found themselves with one last shot. They made the best of it.

Burton, who had entered the game in the fifth inning, lined the first pitch in to right field.

He stole second and moved to third as Mike Mitchell grounded out. Trev Parayko walked and took second on the first pitch as Slave Lake to work on the batter. Tom Parayko flied out to left field, but it produced a run as Burton scored after the catch. With two out, Musto lashed a single to right field to score Trev Parayko with the tying run. Slave Lake starter Ted Hartman then got Terry Leddy on strikes to end the inning.

Slave Lake threatened in the eighth inning, getting a runner on base with one out. But Mike Mitchell put a quick end to the threat, scooping up a sharp ground ball, tagging the runner and

firing to first for the inning-ending double play.

Cletus Gagnon opened the bottom half of the inning with a hard ground ball to third. Joey Boisvert scooped the ball up neatly, but was short on his throw to first. Gagnon was safe.

Gagnon stole second and third while Darrell Billsten was flying out and John Bennett was caught on a called third strike. Then Burton, who had sparked the initial comeback, parked his single in right field and Gagnon scooted home with the winning run.

The victory was especially sweet for Gagnon. The loser in Slave Lake last week he stopped Oilers cold this time around, keeping them hitless while walking only three over the 4 1/3 innings he worked.

Burton also played a prominent role in the first game, coming on in relief of Terry Leddy in the fifth inning with two runners on base and two out.

He got the inning-ending out with a high hopper back to himself, then held Oilers to a single over the next two innings while striking out four.

Tom Parayko regained his hitting eye to get Oilers started in this one, doubling in the second inning and striding in the third.

Leddy helped his own cause with three hits.

Cubs also produced a double play in this game, Shortstop Musto scooping up a grounder and firing to Sandy Millroy at second and the throw to first just nipping the runner there.

Defensively, Cubs played their best ball of the season, committing only one error in two games.

Cubs will travel to Stony Plain for games next Saturday and Sunday in a double-knockout tournament with teams from North Edmonton, Stony Plain and Drayton Valley.

The winner there will advance to the provincial final.

One woman to another at a party: "That's lovely material in the dress you're wearing. I wonder if the style will ever come back."

Barrhead Swim Club officials, far left and far right, are shown presenting two captains of the St. Albert Salfish team with the Barrhead Championship Trophy and replica. Seen receiving the awards are: center left Barb McCaffrey and centre right Tom Kehoe. The replica is presently on display at Grosvenor Park pool.

The Salfish Swim Club has chalked up another win at a two-day meet against six other teams in Barrhead on the weekend.

Although final standings were not available at the conclusion of the meet, Barrhead officials presented their trophy to St. Albert as it was obvious that the Salfish were far in the lead.

Other clubs competing were from Leduc, Redwater, Thorhild, Westlock, Devon and Barrhead.

Preliminary heats were held on Saturday afternoon, followed by a barbecue, diving competitions, water polo and a dance for the swimmers. Salfish members Tim Magee and Neil Rae placed first and third in

the diving.

Finals in the swim races were held on Sunday. In almost every event two of the five finalists were from St. Albert and very frequently they finished first and second.

This was the last invitational meet of the season

for the Salfish who won every time. Now they begin serious training for the Regional finals to be held at Bonnie Doon pool on August 19 and 20. First, second and third place swimmers in each event will go to Calgary for the Provincial finals on August 26 and 27.

### Fastball League

C. J. D. A-1 need only a win tonight in Stony Plain to win the Sturgeon Mens' fastball league championship.

C. J. D. took the opener in the best of 3 finals with a close 3 - 1 win over the Stony Plain Playboys last Wednesday in St. Albert.

Stony took an early 1-0 lead in the second inning on 2 walks and a single by Alain Yager.

In the 3rd George Fraser led off for C. J. D. with a walk and stole second on the next pitch. A double by Jim Miller scored Fraser with the tying run. Fraser came home with the winner on Rick Richardson's single.

C. J. D. scored their 3rd and final run in the next inning when coach Lionel Roualt walked and scored

on singles by Fraser and Miller.

Stony appeared to have something going in the 7th inning when lead off batter Alain Yager singled and went to third on an infield out and double by Lawrence Schoepp.

With one away Murray Kulak drilled what appeared to be a sure extra base hit to left centre. George Fraser somehow managed to catch the ball and his perfect throw into second baseman Dave Lewis forced out Schoepp for a game ending double play.

Dick Bird was the winning pitcher allowing only 4 hits and striking out 6.

Gerald McGinn was the loser for Stony.

## WHEN YOU'RE SMILING CALL FOR 'LABATT'S BLUE'

## Morinville Manufacturers Clinch Pennant

The Morinville Manufacturers had their sponsor, Mr. Bert Craig, smiling when they assured themselves of the southern division pennant for the second successive season.

The Morinville Club, under the coaching of Nick Wojtkiw, won the north-central Alberta Baseball League pennant on the strength of their 14 victories against only 2 losses in regular season play. Morinville has yet to host both, Vimy

## Calahoo Barbeque Set For August 19

On August 19 and 20 all roads will lead to Calahoo for their annual giant barbeque complete with pit cooked roast beef, corn on the cob, salad, baked potatoes and refreshments.

A dance will be held in the Gazebo and tickets will be sold on an advanced basis only. At only \$5, per couple the return is great.

A men's fastball tournament will be held on Saturday.

A combination team from Calahoo and St. Albert was the event last year by a 11-4 score over Spruce Grove Panthers.

## ST. ALBERT RECREATION

### SWIMMING

A water show will be held on Sunday, August 13 from 1 - 3 p.m. Members of the pool staff are arranging a programme which will cover many aspects of pool activities; demonstrations, displays and some fun and games not normally found in a pool programme!

The winner of the poster contest will be presented with a prize at the show. Afterwards, there will be public swimming from 4 - 10 p.m. There will be no family swimming on Sunday either in the morning or

and Redwater on August 9 and 10 before the regular league schedule ends.

In baseball action last Wednesday, Bob Kooteany slammed his first homerun of the season for Morinville driving in four runs as Morinville breathed to a 12-2 victory over Bon Accord. Larry Perrot allowed only four hits, to take credit for the win.

Morinville easily defeated Gibbons 12-2 last Thursday in Gibbons. Barry Edwards was the winning pitcher in that cause for Morinville. Meanwhile, a fierce battle is emerging in the southern division for playoff berths. Redwater, with victories over both Gibbons and Legal last week, is now in a two-way tie for second place with Bon Accord.

Vimy is only one point back in fourth spot.

The second and third place clubs in the southern division will be meeting in a best of three series starting next Tuesday evening.

The winner of that series will join Morinville in representing the southern division in the League Championship to be held in Morinville on August 27.

### Oldtimer sez:

"Folks are friendlier in Western Canada, where the pot is alwuz boiling and the door is alwuz on the latch."

### evening.

A very few openings remain in some of the instructional classes due to start on August 14. Please enquire at the pool if interested.

### TENNIS

Juniors have been encouraged to play or practise their game on Tuesday mornings and although the turn-out has been small those who have attended have enjoyed themselves - and improved their game considerably. Ladies' morning is on Thursday at 10 a.m.

## Council Roundup

An old piece of unfinished business... the McKenney Avenue widening and extension... came up under question again by Councillor John deBrulj, Chief Town Administrator Dan O'Connell informed council that an agreement with the Oblate Fathers was ready and awaiting signatures.

Councillor John Bakker expressed concern over the display of a commercial sign in the yard of a private home located in the Sturgeon Heights area. He pointed out that this type of commercialism was contrary to town by-law and should not be permitted. Council agreed that staff inform the offender and have the sign removed.

A considerable amount of discussion followed a proposal made by Mayor Gibson that the town council meeting agenda deadline be changed from Thursday to Tuesday. Mayor Gibson, speaking further on his motion, explained that the new deadline would simply give town staff and council more time to study, review, research and streamline what he termed, "extremely cumbersome agendas." When a vote was called, the motion was defeated. Councillor Thronson made

an amending motion whereby the agenda deadline would be set for Wednesday... a gain of 24 hours on the former deadline... and that motion passed with Councillor Kambourff casting the dissenting vote. He said, "I'm opposed to changing the deadline... leave it the way it is."

Regarding By-law 19-72 which deals with the proposed closure of a portion of Edmonton Road for the future development of a shopping centre at St. Albert Trail and Edmonton Road received first and second reading. In a letter from the Department of Highways and Transport, concern was expressed over the traffic congestion the closure may generate. The letter continued to say that no objection would be registered if access to Edmonton Road was controlled by only one crossing at the most north-easterly corner of the site.

At Tuesday's regular meeting, following a recommendation from town engineer J. Mandag, council approved the closure by passing By-law 19/72 in third and final reading.

Several items on the July 24 and 31 Committee Meetings were discussed behind closed doors. These included

ed issues dealing with the Calgary Power Ltd., franchise nomination of council working committees and others.

Many believe that it is lucky to carry a piece of hawthorn into the house during the first week in May.

## Qui Barre boy wins twice in Klondike tourney

12-year-old Glen Fisher of Riviere Qui Barre was a two time winner in the Klondike Horseshoe Tournament. After teaming with Edmonton's Ken Herrick to win the first place trophy and \$75 in the doubles, Glenn picked up the second place trophy and \$25 cash in the Mens' Open Singles, behind partner Herrick who won the singles and \$40.

Joe and Henry Laslow of Edmonton placed second in the doubles event, and Calahoo's Leo Paquette paired with Chris Camplon for 3rd place. Camplon also won 3rd place in the Mens' Open

### Singles.

Manitoba's 9-time provincial champion, Bert Smart participated and the tournament also drew players from Lethbridge, Peace River, Drumheller, Olds and Crossfield.

Many of these players will be seen in action at the Riviers Qui Barre Annual Horseshoe Tournament on August 19th.

## Young local star scores big hit at Lac La Biche

St. Albert's budding young singing star got a tremendously enthusiastic reception by the huge crowd at the Lac La Biche Pow Wow last weekend, and it looks as if 12-year-old Garry Westcott is heading for big things in the entertainment business.

Garry performed each of the three days, getting many

recalls at each performance and holding his own with such celebrities as Ray St. Germain, famous country and western star, and R. Harlan Smith, a rising recording star.

Edmonton's "Crossfire" band was terrific and M. C. for the program in the Arena and Jubilee Hall was Dennis Mahoney, partner of Garry's

manager, Albert Rodnitsky, and a frequent entertainer with his magician's act on the Ed. Sullivan Show.

In keeping with the Pow Wow, Garry did "Kallga" accompanied by Indian drummers, which was a great crowd pleaser. Radio reports mentioned Garry as a "young man that's going places". He also rated a mention in Barry Westgate's column Saturday.

A new experience for him was a crowd of girls following him about for autographs and a fair share of kisses, but he took it all in stride. Garry's parents Norman and Sadie Wauch and his sister Linda also

took in the Pow Wow. On the 18th Garry and Sadie are booked to perform at the Westlock Fair.

## Three Locals Picked For All-Star Team

Three young baseballers from St. Albert were selected as members of a team from Edmonton which took part in an all-star tournament held at Lloydminster over the past weekend.

David Lacroix, 14 Sylvan Drive, Larry Schuchard, 40 Balmoral Drive, and Pat Merrigan 21 A Sunnyside Crescent were chosen as part of a 14-man contingent

of Mosquito (A) baseball players from the Kensington Community League team that saw action in the inter provincial tourney played in the border city.

The Edmonton squad had the dubious pleasure of losing to the eventual tournament champs, the Saskatoon Cubs, 5-0 Saturday evening, and the runner-up Saskatoon Orioles, 5-1 Sunday morning.

Conducted under the sponsorship of the Lloydminster Minor Baseball Association the 28-team, double-knock out tournament was played under Saskatchewan Sand Lot rules. Fifty-four games were held in all divisions including Beaver, Bantam, Midget, as well as Mosquito Lacroix, Schuchard and Merrigan are all members of the league champions and district provincial representatives, St. Albert Phillies.

RACINE, WISCONSIN - Tenneco Inc. announced recently it has reached an agreement in principle to acquire David Brown Tractors Ltd., a subsidiary of The David Brown Corporation Ltd., England. The announcement was issued jointly by N. W. Freeman, chairman and president of Tenneco, and Sir David Brown, chairman of The David Brown Corporation Ltd.

The agreement, which is subject to necessary approvals by the British Gov-

Here's a couple of the Student Summer Employment Program employees (SSEP), keeping a watchful eye on the air compressor. This unit, provided by the Edmonton District Militia supplies compressed air to the air-drill used to bore holes into the stumps destined for demolition. Left to right: Pat McHugh, 14 Sable Crescent and Dave Cook, 45 Gillian Crescent.

## Tenneco Inc. Acquires British Tractor Firm

ernment, calls for David Brown Tractors Ltd., to become an operating division of J. I. Case Company, a Racine, Wisconsin based subsidiary of Tenneco. The David Brown Tractors Division will be staffed and managed by the present David Brown personnel and management and will be directly responsible to the president of Case.

"It has been the policy of Tenneco to become associated with companies in which we see good product, good management and a po-

tential for future growth," Freeman said. "We see these present in the David Brown Tractor organization".

The merger of these interests when completed will provide Tenneco/Case with physical facilities for the manufacture of David Brown tractor line located at Meltham, Yorkshire and Leigh, Lancashire, as well as all rights to design, build and market these products world wide.

David Brown produces tractors ranging from 42 to 65 PTO horsepower, includ-

ing low profile versions, while Case has concentrated the bulk of its efforts in the over 80 hp class, with models ranging as high as 145 hp. Both companies also produce a line of tillage implements. Each line of equipment will retain its present identity.

David Brown presently employs approximately 3,500 people at its two farm machinery plants.

David Brown Tractors Ltd. had gross sales of \$80 million in 1971 while Case had corporate sales of \$436.3 million in the same year.

We especially encourage teen-agers who are not working this summer and all interested parents to come and volunteer their services in preparation for the opening of our Day Care Centre. For further information as to time and place, phone Mrs. Ron Gounce - 599-8396.

**FRIDAY, AUG. 11** - A teen dance will be held in the St. Albert Community Hall. Featuring Samuel Fad. Time: 8:00 p.m. to 12 midnight. Tickets can be obtained at the door. \$1. each. (Note - doors will be closed at 10 p.m.)

### Sturgeon

**SAT. AUG. 19** - Riviere Qui Barre picnic. Ball games, horseshoe tournament, bingo, Klondyke Cabaret to be held in the evening. Tickets obtainable by phoning 256-2145 or 599-3139.

**WEDNESDAYS**, At Gibbons School: Bingo every Wednesday from 7:30 - 8 p.m., followed by Gym activities for teenagers from 8-10:30 p.m.

These photos taken by Alvin Logosar at 6:30 p.m. last Thursday depict the volume and vicious nature of the hail storm in Villeneuve area August 3rd. Top photo shows John Cassidy's field on the south side of the Villeneuve road and at bottom is Mr. Gauthier's driveway, not far from the Cassidy farm. Damage was extensive in the district and some fields were completely wiped out.

## Gibbons Teen Club

Mr. Joe Krupa of Gibbons Recreation Board met with a small group of teenagers last Friday to discuss forming a Teen Club for the village, and plan for activities for such a group.

A temporary committee was set up and it was arranged to call a general meeting Wednesday, August 9th to organize the club. In the meantime verbal permission was given by the Sturgeon School Board to use the school gym Wednesday evenings for bingo and gym

activities. Mr. Krupa agreed to meet with Mr. Reg. Austin of the Board as early as possible to see what arrangements can be made for teenagers use of school facilities, on a continuing basis.

### AROUND STURGEON

Mayor Art Stapleton recently presented a cheque for \$300 to the St. Peter program for senior citizens. The funds, accepted by Marjoline Chamberland, will benefit the Morinville older folks.

Despite the fine co-operation of Mrs. Dube and others who assisted us last week with picture identification for Legal, the flaws in the attempt at getting names long distance were apparent, when Roland Thielie became Elzeard Derrien. The Gazette regrets the error in this cutline.

## NOTICE The Alberta Labour Act Review

It is the objective of the Government of the Province of Alberta to develop in consultation with all segments of the public, a Bill to establish a new Labour Act which will provide a meaningful framework of practical legislative provisions that will contribute to and assist in the development of industrial relations in the Province. A re-examination of the existing legislation is considered necessary at this time in the light of changing conditions, concepts and attitudes which affect all persons in the Province.

Interested parties or their representatives are invited to file with my office by September 11, 1972, six copies of their written submissions. Following consideration of the written submissions, Public Hearings will be convened in Edmonton in order that the public may have the opportunity to engage in a further interchange of viewpoints on this important matter.

Hon. Dr. A. E. Hohl,  
Minister of Manpower and Labour,  
Room 423, Legislative Building,  
EDMONTON, Alberta.

GOVERNMENT

## MFC hosts dinner for exchange students

The Morinville MFC hosted a dinner on August 6th for 22 exchange students from Louiseville, Quebec, attended by some 83 guests. Yvonne Leduc acted as master of ceremonies, giving introductions and announcements with ease in both English and French. Principal

Marcel Schayes addressed the groups and presented the visitors with gifts. Mr. Schayes remarked on the fine co-operation the exchange program received from parents, business people and the community and introduced the committee: Alphonse Nobert, Anne Kryskow, Lorraine St. Laurent, Rose Martel and Ragnelle Boissonault.

He also thanked the supervisors, Mr. and Mrs. Lessard and Mr. and Mrs. Houle and acknowledged the assistance of students Carol Woytkiw and Kevin Sultern of Morinville, and Nicole Globensky and Yvonne Bergeron from the eastern group. The student exchange is a good social studies program, being a living experience for young people to see and take part in the lives of others in different parts of the country and of different ethnic backgrounds, concluded Mr. Schayes.

Germaine Bland, president of Les Femmes Chrétiennes welcomed the visitors and spoke briefly in French, saying that the FMC were happy to take part in the local festivities to make the guests feel at home and welcome.

Rose Martel, news correspondent for the past 25 years presented the students with copies of the Gazette containing a resume of the trip program and also a special edition done for the 75th anniversary of St. John the Baptist parish, which contains special pioneer features and photos of historical interest. She suggested that it would be the responsibility of the students in adult life to break down barriers dividing east from west, and to make Canada a united nation in tongue and in spirit. Supervisor Gerald Houle spoke briefly on the trip and he and Mrs. Houle were presented with a gift of crystal by Alphonse Nobert, as a token of thanks from parents of the students who visited in the east.

Other speakers were Father Primeau, on the value of bilingualism and multi-culturalism, and Carol Woytkiw who thanked the groups who sponsored the project. A highlight of the evening was a huge 'Bon Voyage' cake complete with sparklers, a perfect ending to the supper, donated locally and decorated by Jeanette Krauskopf. A sock hop followed. The Quebec students left for the trip home on Monday.

Rust of caution destroys more men than the attrition of action.

Carelessness and accidents, motorists, are identical twins.

## BON ACCORD ACTIVITIES

Scott Briggs is convalescing at home after undergoing surgery at the University Hospital.

A life membership in the U. C. W. was presented to Mrs. Arthur McCue by president Mrs. Hazel Hancock on behalf of the United Church Ladies in appreciation for the many years spent in support of the Bon Accord Club.

Many interested mothers turned out for the meeting at Dee Knobbe's on Tuesday, August 1st re-playschool for children aged three and half to five years. A committee composed of Mmes. Knobbe, Huisling, West, Reichle and M. Everitt was formed to iron out details. Hopefully, the school will get underway soon after regular school opening. Again, if you have any questions, you may contact any of the above-mentioned ladies.

Gail Chubb is home, having spent July attending Prov. Recreation Leadership school at Drumheller under the sponsorship of the B. A. Community Centre Board.

Rio April Starlet, grand champion in the Foal Futurity class at the Northern Region Appaloosa Horse Show held recently in Edmonton. The foal is one of several purebred Appaloosas owned and trained by Ev. and Norma Brennell on their farm at Bon Accord.

Mrs. Rob Black and son Paul, and Miss Barbara Black from Surrey B. C. are visitors at the home of Mrs. Black's parents, Mr. and Mrs. Bob Spangier.

Mrs. David Onok is convalescing at the home of brother-in-law and sister Mr. and Mrs. Chesters-Mc-

Bride after undergoing major surgery at an Edmonton hospital. Cheryl, (nee Strid) is accompanied by her daughter Lori.

A Family Tree, with each leaf depicting a descendant

and spouse of the late Mr. and Mrs. A. R. Bland of the Excelsior district is prepared by ambitious members of the family for the reunion held on July 15 at the home of Mr. and Mrs. Russell Pawluk of Legal.

Rio April Starlet was chosen grand champion in the foal maturity class at the Northern Regional Appaloosa Horse Show held recently in Edmonton. The champion is being proudly displayed by its owner Mrs. Norma Brennell of Bon Accord.

# MORINVILLE MEMOS

by Rose Martel

On August 2 some 25 senior citizens met at town hall on the invitation of Mayor Arthur Stapleton, and Thibault school board representatives. Chairman Stapleton explained the purpose of the meeting, stating that the Thibault board needed the basement room at town hall for a secretary's office and that the board had offered the portable white school building to the senior citizens. It would be installed at a new site of the group's choice, free of charge in exchange for the facilities in the town building. He made it very plain that the group did not have to move if the majority was against it, and they could remain in their social room as long as they needed it, before new quarters were ready.

As the results of much discussion both pro and con, with several sites suggested it was decided to hold a vote which resulted in favour of accepting the town's offer of the building. The building will be moved to a site to be chosen by a committee and made ready with plumbing, water, and kitchen facilities, along with complete paint job, inside and out, free of charge to the group. Those elected to the committee were: Mrs. Louise Billo, chairman, Mrs. Dorothy Daignault, secretary-treasurer, directors are: Mrs. Kenny DeTennancour, Mrs. Jeanne Houle, Mr. Romuald DeTennancour, and Mr. Oswald Chevalier. Mrs. Rose Martel volunteered to be publicity chairman for the group.

The chosen name for Morinville senior citizens, formerly known as the Golden Age group, will now register as Morinville Senior Rendez-vous Club. It was also agreed that the regular fall and winter weekly card parties on Wednesday afternoons will begin October 11th. Anyone 60 years and over may join. The next outing for the group will be held on August 23rd, when the group will visit Sherriett Gordon Plant in Fort Saskatchewan. The bus will leave at 10:30 a.m. and a picnic lunch is proposed at noon, with everyone bringing their own lunches. The new executive will host the trip with STEP directors in charge of arrangements. Mr. Ulisse Fortier will be the driver. All those interested in going

must register in advance with Mrs. Kenny DeTennancour.

On Saturday July 29th a local land mark closed its doors forever. The Alberta Hotel was built on main street in 1905 by the late Narcisse Lavallee and associates who witnessed many colorful incidents during the probation period before 1922 when the first beer license was issued. Among those who managed the hotel were the late Mr. A. Ecker, Edmond Como, Omer Palemont as well as two local businessmen, Armand Chalfoux and Fern Stette, still residents of Morinville.

The interior is being stripped and the bulldozers are to demolish the entire structure before the weekend. Plans are ready for a new modern \$350,000 structure, complete with modern facilities, including lounge dining room, cafe and bar facilities, to be known as the Morinville Frontiersman Inn, with Ed Kryskow as manager.

They say that bad luck comes in threes and so it was with Marcel and Henriette Labonte recently. After long preparations for the opening of their new Super A foods in new modern premises last month, Mrs. Labonte was advised to take an absence of one year from her teaching duties, for health reasons. Last week, the new premises were broken into, with losses of petty cash and merchandise reported. On Friday at 2:58 a.m. the RCMP night patrol turned in the fire alarm as flames were seen shooting from the back of the store. The meat truck was completely destroyed as well as the walk in cooler and some \$2,700 worth of fresh meat. The estimate of damage to other stock and buildings has not been totalled to press time. But it will take a minimum of two weeks to repair the damage, get the refrigerated part of the building in running order and new stock to resume business.

Adelard St. Laurent volunteer fireman for the town of Morinville for many years suffered double fracture of the shoulder blade while fighting the Labonte blaze.

For the third time in so many weeks, the M. D. of Sturgeon areas have been damaged by severe hail. According to reports received Bon Accord, Alcom-

dale, the Alexandre Reserve Villeneuve and St. Albert all experienced damage, ranging from 14 to 85 per cent.

Mr. and Mrs. Roger Blackburn and family are visiting during their annual three week holidays.

Mr. and Mrs. Don Found accompanied by Mr. and Mrs. Henri Lamoureux also are on a holiday trip.

Mr. and Mrs. Alphonse Champagne are enjoying the visit of their daughter, Mrs. Sylvia Leblanc and granddaughter Laurie. A son, Mr. Norman Champagne is also a home visitor.

Two former Morinville and district residents passed away last week. On August 1st, Georges Tellier, 65, died in Edmonton after a very long illness. Funeral services were held in the Immaculate Conception church in Edmonton and burial followed in Edmonton cemetery. He is survived by his widow, Alice, (Gauette) three daughters, and one son and 17 grandchildren. He was a brother of Mrs. Aline Cournoyer of Morinville, Mrs. Annette Moreau, of Calgary, Mrs. Leo Chalfoux of Falher, and Rev. Sister Gabrielle Tellier of Edmonton.

On Friday, news was received of the sudden death on Thursday evening in Langley B. C. of Walter Ellett, 72. Mr. Ellett was a charter member of the Morinville Lions Club and a past district governor for District 37. B. He was also a long time councillor in the former M. D. of Morinville and secretary to the first Morinville feed mill, Coop, and the Mearns Mutual Telephone Co. He is survived by Mrs. Ellett, in a nursing home in B. C. and also one daughter, Louise in Vancouver and one son, Jim.

Mr. and Mrs. Leonard Kieser and family were recent visitors at the home of Mr. and Mrs. Walter Ferguson in Morinville. They travelled from White horse, Yukon.

Mayor Arthur Stapleton accompanied by Mrs. Stapleton were guests at the Lac La Biche Pow-Wow days on the invitation of the Lac La Biche mayor. Also taking in the festivities was the Morinville Citizen of the Year, Mr. Albert Craig and family.

## Environment Protection Program Qualified by Calgary Power Ltd.

Sixty per cent of the land strip-mined on the north shore of Lake Wabamun, 45 miles west of Edmonton, has been reclaimed to alfalfa and light trees. Bill Hardcastle, Calgary Power Ltd. Supervising Engineer told a public meeting held in Stony Plain recently.

Mr. Hardcastle told the information meeting, called by Calgary Power, that 650 acres have been mined, and more than 400 have been reclaimed.

Finding the most successful method of reclamation took six years of experimentation, Mr. Hardcastle said.

Calgary Power Ltd. will spend \$28,000,000 over the next five years eliminating stack emissions at its ther-

mal power plants on Lake Wabamun. Tom Cardell, assistant production manager explained in his report Electrostatic precipitators (fly-ash collecting devices) have been ordered for the Sundance plant on the south side of the lake, and will be installed by late 1973. However, research has not yet uncovered the best system for removing the fly-ash at the company's Wabamun plant, just south of Highway 16.

Mr. Cardell told the meeting that a test program carried out at Sundance, which enabled the company to design the specifications for the \$6,000,000 anti-pollution units, would not work at Wabamun, and more research must be carried out

before the company commits itself to another \$12,000,000. "We want to be sure the equipment works, otherwise we would be spending the consumers' money foolishly," said Mr. Cardell.

Cooling devices that will eliminate the introduction of heat in Lake Wabamun will be installed at Calgary Power Ltd.'s Sundance steam thermal plant, senior engineer Walt Saponja told the meeting.

The heated effluent from this plant has for a number of years been blamed for the weed growth in Kapiswin Bay.

"The company with its interest in maintaining the lake for joint use of recreation and industry has sponsored a number of studies and research programs centering around the weed problem," Mr. Saponja said. "Beginning in late May this year a direct attack on the weed problem was launched by the company when a mechanical weed cutting and removal program got underway."

This program was established voluntarily by Calgary Power, and involves co-operation from the Government of Alberta and the residents of the Village of Kapiswin.

## Killips family holds happy reunion

by Norma Crotzer.

All 10 children of the family of the late Mr. and Mrs. Albert Killips gathered for a family reunion recently their first time together in 18 years.

On July 22nd a family dinner was held at the Derrick Club and the next day all gathered with their families for an outing and dinner at the Alberta Beach cottage of Mr. and Mrs. Cecil and Mrs. Lorne Killips. During the week a great deal of visiting was done at different homes in Edmonton and Namsa as well as taking in Klondike events and sight-seeing in Edmonton. The families attending were: Mrs. and Mrs. Dale Shultz (Mable) of Namsa, Mr. and Mrs. Robert Brenemann (Hanche), Mrs. A.

H. Fuhr (Mary) and Mr. Lloyd Killips of Kamloops, Mr. and Mrs. Cecil Killips, Mr. and Mrs. Lorne Killips, Mr. and Mrs. Donald R. Killips all of Edmonton, Mrs. Clifford Killips of Toronto and Mr. Ken Killips of Rogers Pass, B. C.

A number of grandchildren were also in attendance

## John Peares back from Ireland

On June 12 John and Marg left Edmonton, stopping for reëlling in Greenland where a snowstorm was blowing and men were dressed in parkas and mitts. Arriving in London at 12 noon they headed north for Weyn Garden City for a visit with relatives before

going on to Holyhead the port from which they sailed to Dun Lougharie, Ireland. Strong winds make the 3 hour trip across the Irish Sea a rough one. In Dublin they stayed at the Shelbourne Hotel, the oldest in Ireland and received lots of co-operation from the Irish Tourist Bureau, making their stay one to remember.

On June 21st they spent a half hour with President Eaman deValera. He talked to them about John's cousin Padriac Pearse, who was commander of the 1916 revolution. It was through his efforts that most of Ireland has its independence. The President said in time he believes all Ireland will be one but as he is 92 years old, it will not be in his time. They had pictures taken with him and a large picture of Padriac Pearse in the background. After the interview they placed a wreath in Arbar Hill cemetery, where the 16 men who were shot for their part in the revolution are buried.

John and Marg then went to Galway where they stayed with a farm family, living as members of the family. They found the economy good but prices about the same as here. In Ireland property taxes are reduced for improvements so homes are well kept. They enjoyed the river Shannon, the beautiful Lakes of Killarney, the hedgerows and flowers growing wild. They journeyed to Wales and the Isle of Wight before returning to England and home with many excellent pictures to relieve their memorable five week trip.

An egoist need not be a man who thinks too much of himself; he may think too little of others.

A family tree tapestry, with each leaf depicting a descendant and spouse of the late Mr. and Mrs. A. R. Bland of the Excelsior District was on display for a family reunion held recently at the Russel Pawlak family residence in Legal. The beautiful piece of handwork was done by ambitious members of the Bland descendants.

## LEGAL LOCALS

Mrs. Marijyn Fizer is gone on holidays till August 25, anyone of her Avon customers needing anything should contact Sylvia Auger.

Dolores Forcade was sponsored by the Coop to attend the Goldeye Camp last week. Jimmy Hunting also enjoyed his week at Goldeye and he was sponsored by the Legal Savings and Credit Union.

Miss Jacqueline Giguere and her friend from Montreal spent several weeks holidaying with Jacqueline's mother Mrs. Suzanne Giguere.

Rita Larose and Cecile Van De Walle returned on July 27 from a three week trip to Quebec and the Maritimes. The girls thoroughly

enjoyed their trip and made many new friends.

Mrs. Eugene Theriault is hospitalized in Edmonton.

Congratulations to Mr. and Mrs. Roger Cyr who celebrated their 40th wedding anniversary with friends and relatives at the home of Mr. and Mrs. Romeo Bolsoneault in Morinville.

Mr. and Mrs. Emile Bergévin and family from Ottawa were visiting with their friends and relatives in the district.

Mr. and Mrs. Leonard Forcade spent a week in Kelowna leaving after the Fete au Village. A well deserved holiday for the chairman of the recreation board and his wife.

Farmers and tradesmen in rural England still find horse-drawn carts are economical, which is good news for Gypsies who gather each June at the Appleby Fair. They have been trading in horses at the fair since it began in 1750, the National Geographic says.

On a tour of inspection of the nearly-completed Sturgeon River Cleanup project are Lt. B. K. McDonald, Capt. Norman Lynch and Col. D. Kuchinski, commander of the Edmonton Militia District. The militia commander was impressed with the work accomplished by the 40-student force.

## PREMIER LOUGHEED INVITES YOU

to express your views on two very important Bills which have received two readings in the Legislature.

- Alberta Bill of Rights
- Individual Rights Protection Act

Before proceeding with the third and final reading, your government wants you to read the Bills. We feel it is important you become aware of the effects these acts will have on every Albertan.

Copies of the Bills may be obtained from the Premier's office, Legislative Building, Edmonton.

Submissions based on the Bills must be made in writing on or before September 11, 1972.

Five copies of each submission should be mailed to:

Alberta Bill of Rights and Individual Rights Protection Act  
Premier's Office  
Legislative Building, Edmonton

GOVERNMENT OF  
**Alberta**

## Council

Continued from Page 1

Athabasca site." He did admit that some talk about the concept itself was still going on and promised to keep on top of the issue.

When asked by Councillor Thordson if the University of Athabasca issue was dying or was dead, Mr. Jamison replied that the U of Ath. authority is not dead. "In fact," he said, "a U of Ath. pilot project is in the making . . . one which will permit Mr. Byrne and staff an opportunity to launch a new university concept." Mr. Jamison declined to say where this pilot project would be carried out.

"Why the rush to designate this land to parkland?" Mr. Thordson asked.

"We're not rushing into it, replied Mr. Jamison, "but we feel that since the land is going to remain fallow for perhaps many years . . . it should be put to good use and I can't think of a better use for that tract of land than to designate it as a park," he said. He added that the government wouldn't have to spend much money, if any, to have that area made into a beautiful camping and holiday retreat.

### VIEW UNCHANGED

Continuing his explanation relating to Councillor Thordson's question, Mr. Jamison said, "I've been opposed to the University of Athabasca site in that location from the beginning and am still opposed to it. In my view, a future University site in this area should be located in the north-western part of this locality." In explaining his reasons for this opinion, Mr. Jamison said that a developing University of Athabasca complex would invariably lure subordinate developments in the same area, thus create an extension of St. Albert, "right into the encroaching arms of Edmonton and thus weaken

our struggle against annexation."

Councillor Thordson, after listening to Mr. Jamison's reply, said, "I'm inclined to agree with you, because I can see where such a complex would bring the development of residential and other developments in the area."

Mayor Gibbons partly agreed with Mr. Jamison, in that the land in question should be designated. Councillor Bakker re-entered the discussion by saying that it would be difficult to rezone parkland to educational land.

Councillor Hudson asked if designating the U of Ath, land to park would hamper proposed plans for Big Lake Park. Mr. Jamison said, "definitely not."

### OPEN MARKET-

Councillor Kambouroff simply commented that, "I'd like to see that area become parkland . . . and not a concrete jungle like Edmonton has across the river."

The only councillor who refrained from disclosing his views was John deBruijn who said, "Mr. Jamison and I know one another's views in this matter. . . we've discussed them on several occasions."

It was at this juncture that

Mr. Jamison asked Councillor deBruijn why he was in favor of council going to the open market for municipal financing.

Mr. deBruijn simply explained that in his conversations with financiers, money could be borrowed, at a cheaper rate on the open market than through the Municipal Financing Corporation.

Mr. Jamison expressed surprise with this statement and promised to investigate the matter with Hon. Gordon Minnie, provincial treasurer. He did, however, promise council that his findings, "will be made public."

Councillor Bakker, ever concerned with town budget

and its deadline, urged Mr. Jamison to help in whatever way possible for townships, villages, municipal districts etcetera to find out what lines to take before budgets are drawn up. Mr. Bakker explained that it was most difficult for a town to budget when it doesn't know what the provincial government's regulations will be.

Mr. Jamison started answering Councillor Bakker's question by pointing out that, "St. Albert is fortunate in having its mayor serving on the board of directors of the Alberta Urban Municipalities Association." Mr. Jamison explained that election of Mayor Ray Gibbons to the AUMA gives St. Albert a voice in the association and a more direct pipeline for input towards better relations.

### REPORTS COMING

"By virtue of this fact," Mr. Jamison said, "you will have a hand in making presentations through Mayor Gibbons." He continued by saying that a report from the provincial government will be issued in August, a further report in October and a final one in December. "Through this means," Mr. Jamison said, "council will have all the necessary information . . . by December 1 . . . to draw

up the budget."

Councillor Bakker smiled and said, "thank you."

Before ending his discourse with council, Mr. Jamison was informed by Councillor Hudson that he would be provided with complete transcripts of meetings held by the Town of St. Albert Transportation Committee. Then Councillor Hudson asked about the Hanson Line which was described by Mr. Jamison as, "not a priority issue. . . however, I'm keeping in touch with the issue."

In parting, Mayor Gibbons asked Mr. Jamison to please ensure that St. Albert be represented, "during Hanson Report talks." Mr. Jamison promised the mayor that during these talks regarding the Hanson Report . . . if and when held, St. Albert will be extended the same privileges as accorded Edmonton.
